ONE OR TWO GOOD ACTIVE MEN on WM.SUMNER & CO., No. 69 Main street. RECOVERING.—The engineer and firemen, injured by the accident on the B, & O. Railroad are able to walk around town, their injuries not being very serious.

Hor.—The thermometer stood yester-day 77 in the shade, and the day before 7i. We should like to take a small amount of next winter about this time. It would make the average decidedly better.

REMOVAL OF THE STATUTE OF WASH-INGTON.—The removal of the statute of George Washington was commenced yesterday. It will be moved to Lexing-ton, Va., where R. E. Lee and the bal-ance of the "reconstructed" can look at ance of the "reconstructed" on and pray to for forgiveness.

New Coin.—The new five cent piece lately issued by the Treasury Depart-ment has made its appearance in this city. It somewhat resembles the two ece, and we suppose not much composition is used in mak-

WE have had several applications lately to suppress the names of persons who are brought up before the police court. We have only to say that per-sons not wishing newspaper notoriety had better steer clear of the police

America,—Officer Brady arrested a young man last evening for bathing in the river, and exhibiting himself to the gaze of promenaders on the wharf. The gentleman will pay pretty heavily this morning for the privilege of washing.

The free lunch given yesterday by Mr. Stamm, the proprietor of the Stamm House, passed off very happy. We called around to get our share and wenton our way rejoicing, wishing we could be treated in the same manner

could be treated in the same manner every day.

FOURTH OF JULY CELEBRATION.—
The Young Men's Catholic Association will have a grand celebration and basket pie-nic next Fourth of July, at Lockwood's Grove. The steamers Eagle and Express have been chartered for the occasion. A good time is expected. See advertisement.

Great Fall in Wool.—Yesterday afternoon a dray belonging to Mr. Bennett, loaded with wool, ran off on Fourth street. Wool sacks were falling rather losely around the street. No doubt it would have caused a panie among the wool speculators if they had been there, as it was the greatest fall of the season. But they wasn't there.

The County Debt.—The Board of Sapervisors have under consideration the paying of the county debt. The feeling among the members yesterday seemed to be to pay one third of it the gresent year, another third in the year 1867, and the balance in the year 1868; paying interest on the two-thirds of it. Does the honorable Board see anything green about the people of this county?

FASHIONABLE RESORT.—The young men of the city seem to have fixed upon a fashionable place for bathing. The place solected is just below the abutment of the anspension bridge, on the lakand side of the river. But be careful and don't go in until after the time fixed by law, or you might meet the fate of the juveniles of Sabbath evening, and pay in a revenue to the city.

CHANDER OF COMMERCE.—A meeting of the Chamber of Commerce was held last evening at Union Hall.

An appropriation was made to receive the eastern markets by telegraph at four o'clock in the afternoon, Also an appropriation of \$150 to fit up the room now occupied in a suitable manuer.

\*\* meeting of the board of manager will be held to-morrow evening, to carry out the above arrangement.

HARD ON THE COLORED CONGREGA-TION.—The Board of Supervisors yes-terday passed a resolution that the col-ored congregation vacate the premises of the Court House within three months. Cuffey has been bolding his meet-ings under the nose of the present Board, which proved almost too offen-sive for the conservative "smell." Hence they are ordered to make their exit.

Board of Supervisors.—The Board of Supervisors met yesterday pursuant to adjournment at 10 o'clock A. M.
PRISENT—Messrs. Wilson, President) Wallace, Salisbury, Alexander, Handlan, Good, Cooper and Jucob.
A resolution was passed requesting Messrs. Crawford & Dist to meet with the Board at 2 o'clock P. M.
The following bills were ordered to be paid:
Of S. G. Stephens. clerk of Union township, amounting to \$50.50; Samuel

of S. G. Stephons. clerk of Union township, amounting to \$50.50; Samuel McCalloch, surveyor of roads, \$7:00; A. G. Robison, recorder, \$6.75.
Ordered, That the east end of the Zane street bridge be closed immediately, to prevent accidents.
The bill of Mr. Goshorn was referred to the Committee on Accounts.
Messrs. Handlan, Good and Jacob were appointed a committee to negotiate with the different banks to see what arrangements could be made relating to the connry debt.

The congregation of colored persons

arrangements could be made relating to the county debt.

The congregation of colored persons who have been holding service in the Court House, were ordered to vacate the premises in two months.

At about three o'clock Messrs. Crawford and List, representing the Merchant's and Mechanic's bank, and the Bank of Wheeling, waited on the Board, and stated that, they thought the arrangement could, be mide to extend the county debt one and two years.

years.
At half-past three o'clock, the Board adjourned.

RIVER NEWS.—The river was stationary last evening, with about nine feet two inches water in the channel.

The steamer Potomac, Capt. Muhleman, leaves this svening at five o'clock for Cincinnati. Messrs. Booth, Battle, & C., are the assents.

telle & Co. are the agents.

The Eagle is the Parkersburg packet for to-day at 11 o'clock. PITTSBURG.

We take the following from the Gazette of yesterday:
The river fell steadily during Friday and Saturday, but yesterday it seemes about stationary with scant four feet it the channel by the marks last evening We had quits a beavy fall of rain of Saturday night, and yesterday the weather was oppressively hot and close with every appearance of more rain.
The Lotus No. 2, Capt. Shedden, is announced for New Orleans, and the R. C. Gray, Capt. Anderson, is rapidly ulling up for St. Louis and St. Prul. The Leonora No. 2 is next on the list for Cincinnati. We take the following from the Ga-

CINCINNATI,

Police Court.—In Judge Good's Court yesterday morning the following cases were disposed of:
Joseph C. Cline, for disorderly conduct, was fined three dollars and costs. Charles Sweeney and Pairick Kennedy, for sleeping in the market house, were fined one dollar and costs each. Seven youngsters were brought up for bathing in the Ohlo river in the day time, in full view of the city. We suppress their names on account of their parents. They had been admonished to stop the practice of exhibiting themselves in the Adam and Eve style several times, but would take no account of it. This will serve as a warning in the future.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injures, themselves by improper indulgence and soli ary habits, which rain both body and mind nittling them for either business, study, so

iary habits, which ruin both body and mind, unfitting them for either business, study, society, or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz Weakness of the fasck and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpatation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

Miswralty.—The fearful effects on the min are much to be dreaded. Loss of Memory, Cell Forebodfiless, Depression of Spirits, Deltard, Consumption, &c.

Miswralty.—The fearful effects on the min are much to be dreaded. Loss of Memory, Cell Forebodfiless, Depression of Spirits, Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now udge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaclated, having a singular appearance about the eyes, Cough, and Symptoms of Consumption.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and, if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pliy that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyments of life by the consequence of deviating from the path of nature, and indulging in a certain screet habit.
